## JinkoSolar Supplies 300MW of High-Efficiency Tiger Modules for China Ultra-High Voltage Demonstration Plant

November 29, 2019

SHANGHAI, Nov. 29, 2019 /PRNewswire/ -- JinkoSolar Holding Co., Ltd. (the "Company," or "JinkoSolar") (NYSE: JKS), one of the largest and most innovative solar module manufacturers in the world, today announced that it has supplied 300MW of its high energy density Tiger panels for an ultra-high voltage demonstration plant in Qinghai Province, China.

The Qinghai Ultra High Voltage Demonstration Plant is the first ground mounted utility project in the world to install JinkoSolar's Tiger panels which have 20.4% module efficiency. JinkoSolar's efficient Tiger series deliver value as a result of a unique tiling ribbon that improves reliability and efficiency, and outperforms conventional panel yield in real-world conditions such as partial shading and elevated temperatures.

Mr. Kangping Chen, CEO of JinkoSolar, commented, "As a top global module supplier, we are constantly innovating and improving the quality products and I am proud to have the opportunity to demonstrate their effectiveness by installing them for the first time on a ground mounted utility project. Our Tiger panels are some of our most sought-after products due to their application of unique tiling ribbon technology which removes any gaps between the cells, improving reliability and efficiency."

### About JinkoSolar Holding Co., Ltd.

JinkoSolar (NYSE: JKS) is one of the largest and most innovative solar module manufacturers in the world. JinkoSolar distributes its solar products and sells its solutions and services to a diversified international utility, commercial, and residential customer base in China, the United States, Japan, Germany, the United Kingdom, Chile, South Africa, India, Mexico, Brazil, the United Arab Emirates, Italy, Spain, France, Belgium, and other countries and regions. JinkoSolar has built a vertically integrated solar product value chain, with an integrated annual capacity of 14.5 GW for silicon wafers, 9.2 GW for solar cells, and 15 GW for solar modules, as of September 30, 2019.

JinkoSolar has over 15,000 employees across its 7 production facilities globally, 15 overseas subsidiaries in Japan, Korea, Singapore, India, Turkey, Germany, Italy, Switzerland, United States, Canada, Mexico, Brazil, Chile, Australia, and United Emirates, and global sales teams in China, United Kingdom, France, Netherlands, Spain, Bulgaria, Greece, Romania, Ukraine, Jordan, Saudi Arabia, Tunisia, Egypt, Morocco, Nigeria, Kenya, South Africa, Costa Rica, Colombia, Panama, and Argentina.
