The right to purchase the Optional Securities or any portion thereof may be exercised from time to time and to the extent not previously exercised may be surrendered and terminated at any time upon notice by the Underwriters to the Company.

Each time for the delivery of and payment for the Optional Securities, being herein referred to as an “**Optional Closing Date**”, which may be the First Closing Date (the First Closing Date and each Optional Closing Date, if any, being sometimes referred to as a “**Closing Date**”), shall be determined by the Underwriters but shall be not later than five full business days after written notice of election to purchase Optional Securities is given. The Company will deliver the Optional Securities being purchased on each Optional Closing Date to or as instructed by the Underwriters for the account of the Underwriters in a form reasonably acceptable to the Underwriters against payment of the purchase price therefor in Federal (same day) funds by wire transfer to an account at a bank acceptable to the Underwriters drawn to the order of the Company at the Hong Kong office of Kirkland & Ellis.

4. *Offering by the Underwriters.* It is understood that the Underwriters propose to offer the Offered Securities for sale to the public as set forth in the Final Prospectus.
5. *Certain Agreements of the Company.* The Company agrees with the Underwriters that:
 - (a) *Filing of Prospectuses.* The Company has filed or will file each Statutory Prospectus (including the Final Prospectus) pursuant to and in accordance with Rule 424(b)(2) (or, if applicable and consented to by the Underwriters, subparagraph (5)) not later than the second business day following the earlier of the date it is first used or the execution and delivery of this Agreement. The Company has complied and will comply with Rule 433.
 - (b) *Filing of Amendments; Response to Commission Requests.* During any period after the date of this Agreement in which a prospectus relating to the offering under this Agreement is required to be delivered by the Underwriters under the Securities Act (whether physically or through compliance with Rule 172 under the Act or any similar rule) (the “**Prospectus Delivery Period**”), the Company will promptly advise the Underwriters of any proposal to amend or supplement the Registration Statement, the ADR Registration Statement, the General Disclosure Package, any Final Prospectus, or any Permitted Free Writing Prospectus (as defined below) or any Statutory Prospectus and will offer the Underwriters a reasonable opportunity to comment on any such amendment or supplement; and the Company will also advise the Underwriters promptly of (i) the filing of any such amendment or supplement, (ii) any request by the Commission or its staff for any amendment to the Registration Statement or the ADR Registration Statement, for any supplement to any Statutory Prospectus or for any additional information, (iii) the institution by the Commission of any stop order proceedings in respect of the Registration Statement or the ADR Registration Statement, or the threatening of any proceeding for that purpose, and (iv) the receipt by the Company of any notification with respect to the suspension of the qualification of the Offered Securities in any jurisdiction or the institution or threatening of any proceedings for such purpose. The Company will use its best efforts to prevent the issuance of any such stop order or the suspension of any such qualification and, if issued, to obtain as soon as possible the withdrawal thereof.
 - (c) *Continued Compliance with Securities Laws.* If, at any time when a prospectus relating to the Offered Securities is (or but for the exemption in Rule 172 would be) required to be delivered under the Act by the Underwriters or dealers, any event occurs as a result of which the Final Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary at any time to amend the Registration Statement, the ADR Registration Statement, or supplement the Final Prospectus to comply with the Act, the Company will promptly notify the Underwriters of such event and will promptly prepare and file with the Commission and furnish, at its own expense, to the Underwriters and the dealers and any other dealers upon request of the Underwriters, an amendment or supplement to the Registration Statement, the ADR Registration Statement, the General Disclosure Package or the Final Prospectus which will correct such statement or omission or an amendment which will effect such compliance. Neither the Underwriters’ consent to, nor the Underwriters’ delivery of, any such amendment or supplement shall constitute a waiver of any of the conditions set forth in Section 7 hereof. The Company, during the Prospectus Delivery Period, will file promptly all documents required to be filed by the Company with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act subsequent to the date of the Prospectus Supplement and will promptly advise the Underwriters if the Company failed to file such reports within the time period prescribed therein.

- (d) *Rule 158.* As soon as practicable, but not later than 16 months, after the date of this Agreement, the Company will make generally available to its security holders an earnings statement covering the then most recent fiscal year and satisfying the provisions of Section 11(a) of the Act and Rule 158.
- (e) *Furnishing of Prospectuses.* The Company will furnish to the Underwriters copies of the Registration Statement, including all exhibits, any Statutory Prospectus, the Final Prospectus and all amendments and supplements to such documents, in each case as soon as available and in such quantities as the Underwriters reasonably request. The Company will pay the expenses of printing and distributing to the Underwriters all such documents; in case the Underwriter(s) is required to deliver (whether physically, deemed to be delivered pursuant to Rule 153 or through compliance with Rule 172 under the Act or any similar rule), in connection with the sale of the Offering Securities, a Prospectus after the nine-month period referred to in Section 10(a)(3) of the Act, or after the time a post-effective amendment to the Registration Statement is required pursuant to Item 512(a) of Regulation S-K under the Act, upon the request of the Underwriter(s), the Company will prepare, at its expense, such amendment or amendments to the Registration Statement and the General Disclosure Package or the Final Prospectus as may be necessary to permit compliance with the requirements of Section 10(a)(3) of the Act or Item 512(a) of Regulation S-K under the Act, as the case may be.
- (f) *Blue Sky Qualifications.* The Company will arrange for the qualification of the Offered Securities for sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriters designate and will continue such qualifications in effect so long as required for the distribution.
- (g) *Reporting Requirements.* For so long as the Offered Securities remain outstanding, the Company will furnish to the Underwriters as soon as practicable after the end of each fiscal year, a copy of its annual report to shareholders for such year; and the Company will furnish to the Underwriters as soon as available, a copy of each report and any definitive proxy statement of the Company filed with the Commission under the Exchange Act or mailed to shareholders. However, so long as the Company is subject to the reporting requirements of either Section 13 or Section 15(d) of the Exchange Act and is timely filing reports with the Commission on its Electronic Data Gathering, Analysis and Retrieval system (“**EDGAR**”), it is not required to furnish such reports or statements to the Underwriters.
- (h) *Payment of Expenses.* The Company will pay all expenses incidental to the performance of their respective obligations under the Transaction Documents, including but not limited to (i) all fees and expenses of the legal counsels (including fees and disbursements of counsels to the Underwriters) and accountants and other consultants or professional advisors; (ii) all expenses in connection with the execution, issuance, authentication, packaging, delivery and distribution of the Offered Securities, the preparation and printing of the Transaction Documents, the Statutory Prospectus, any other documents comprising any part of the General Disclosure Package, the Final Prospectus, all amendments and supplements thereto, and any other document relating to the issuance, offer, sale and delivery of the Offered Securities; (iii) the cost of any advertising approved by the Company in connection with the issuance of the Offered Securities; (iv) any expenses (including fees and disbursements of counsels to the Underwriters) incurred in connection with qualification of the Offered Securities for sale under the laws of such jurisdictions as the Underwriters designate and the preparation and printing of memoranda relating thereto; and (v) expenses incurred in distributing any documents comprising any part of the General Disclosure Package, the Final Prospectus, all amendments and supplements thereto to the Underwriters. The Company will pay or reimburse the Underwriters (to the extent incurred by them) for costs and expenses of the Underwriters and the Company’s officers and employees and any other expenses of the Underwriters relating to investor presentations, on any “road show” in connection with the offering and sale of the Offered Securities including, without limitation, any travel expenses of the Company’s officers and employees and any other expenses of the Company including the chartering of airplanes.

- (i) *Use of Proceeds.* The Company will use the net proceeds received in connection with this offering in the manner described in the “Use of Proceeds” section of the General Disclosure Package and the Final Prospectus and except as disclosed in the General Disclosure Package and the Final Prospectus, the Company does not intend to use any of the proceeds from the sale of the Offered Securities hereunder to repay any outstanding debt owed to any affiliate of the Underwriters. The Company will not, and the Company will procure that each of its subsidiaries, any of their respective affiliates and any person acting on its or their behalf (other than the Underwriters) will not, directly or indirectly, use the proceeds from the offering in such a way that would violate any Anti-Bribery Laws, Money Laundering Laws or Sanctions.
- (j) *Absence of Manipulation.* The Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, stabilization or manipulation of the price of any securities of the Company to facilitate the sale or resale of the Offered Securities.
- (k) *Payments and Taxes.* All payments by any of the Company due under any Transaction Document shall be made in United States dollars and the Company agrees that all amounts payable under any Transaction Document are exclusive of any current or future taxes or any other fees, expenses, assessment or charges of any kind (including but not limited to income tax (other than income tax that is imposed on the Underwriters’ net income in the ordinary course of its business), value added tax, goods and services tax, transfer tax, business tax, foreign enterprise income tax, consumption tax, securities transaction tax, withholding tax, stamp duty and other documentary taxes or charges, and any other taxes and charges, and interest and penalties thereon) imposed by the government of the jurisdiction where it was incorporated or operates or any political subdivision or taxing authority in any such jurisdiction (collectively, “Taxes,” which for the avoidance of doubt, does not include income tax) and all amounts shall be paid free and clear of any deduction or withholding unless the Company is compelled by law to deduct or withhold such taxes, duties or charges. The Company agrees that it shall be responsible for all Taxes as well as all applicable compliance and regulatory obligations which may arise from or in connection with this Agreement. If any Taxes shall be due, or if the Company shall be required by applicable law to make any deduction or withholding on account of any Taxes, or if any Tax is required to be paid by the Underwriters on account of services performed hereunder, the Company agrees to pay to the Underwriters such additional amounts as shall be required so that the net amount received by the Underwriters from the Company after such deduction, withholding or payment shall equal the amount otherwise due to the Underwriters hereunder. The Company shall promptly deliver to the Underwriters all official tax receipts evidencing payment of the Taxes. The Underwriters agree to provide the Company with any and all forms or other documentation or information that the Company reasonably requests to enable the Company to minimize the amount of any such Taxes. The Company will indemnify the Underwriters and hold them harmless against any Taxes on the creation, issuance and sale of the Offered Securities to the Underwriters and on the execution and delivery of this Agreement.

- (l) *Restriction on Sale of Securities.* For the period specified below (the “**Lock-Up Period**”), the Company will not, directly or indirectly, take any of the following actions with respect to its Ordinary Shares or ADSs or any securities convertible into or exchangeable or exercisable for any of its Ordinary Shares or ADSs (“**Lock-Up Securities**”): (i) offer, sell, issue, contract to sell, pledge or otherwise dispose of Lock-Up Securities, (ii) offer, sell, issue, contract to sell, contract to purchase or grant any option, right or warrant to purchase Lock-Up Securities, (iii) enter into any swap, hedge or any other agreement that transfers, in whole or in part, the economic consequences of ownership of Lock-Up Securities, (iv) establish or increase a put equivalent position or liquidate or decrease a call equivalent position in Lock-Up Securities within the meaning of Section 16 of the Exchange Act or (v) file with the Commission a registration statement under the Act relating to Lock-Up Securities, or publicly disclose the intention to take any such action, without the prior written consent of the Underwriters, except the issuance and sale of Ordinary Shares to the Concurrent Private Placement Purchasers in connection with the Concurrent Private Placement, issuances of Lock-Up Securities pursuant to the conversion or exchange of convertible or exchangeable securities or the exercise of warrants or options, in each case outstanding on the date hereof, grants of employee stock options pursuant to the terms of a plan in effect on the date hereof, issuances of Lock-Up Securities pursuant to the exercise of such options. The initial Lock-Up Period will commence on the date hereof and continue for 90 days after the date hereof or such earlier date that the Underwriters consent to in writing.
 - (m) *Compliance with Anti-Bribery Laws, Money Laundering Laws and Sanctions.* The Company will not, and the Company will procure that each of the other Group Companies, any of their respective affiliates and any person acting on its or their behalf will not, (i) violate any of the Anti-Bribery Laws, Money Laundering Laws or Sanctions or (ii) directly or indirectly use the proceeds from the offering of the Offered Securities, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity, for the purpose of financing or facilitating the business or the activities of any person, or in any country or territory that, at the time of such financing or facilitation, is subject to any Sanctions, or in any other manner that will result in a violation of Sanctions by any person.
 - (n) *List of Subsidiaries.* On or before the date of this agreement, to provide to the Underwriters a list of all of the subsidiaries of the Company except for certain subsidiaries of the Company that are not material to the business or prospects of the Company individually or taken together as a group.
6. *Free Writing Prospectuses.* The Company represents and agrees that, unless it obtains the prior consent of the Underwriters, and each of the Underwriters represents and agrees that, unless it obtains the prior consent of the Company, it has not made and will not make any offer relating to the Offered Securities that would constitute an Issuer Free Writing Prospectus, or that would otherwise constitute a “free writing prospectus,” as defined in Rule 405, required to be filed with the Commission. Any such free writing prospectus consented to by the Company and the Underwriters is hereinafter referred to as a “**Permitted Free Writing Prospectus**.” The Company represents that it has treated and agrees that it will treat each Permitted Free Writing Prospectus as an “issuer free writing prospectus,” as defined in Rule 433, and has complied and will comply with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including timely Commission filing where required, legending and record keeping.
7. *Conditions of the Obligations of the Underwriters.* The obligations of the Underwriters to purchase and pay for the Firm Securities on the First Closing Date and the Optional Securities to be purchased on each Optional Closing Date will be subject to the accuracy of the representations and warranties of the Company herein (as though made on such Closing Date), to the accuracy of the statements of Company officers made pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and to the following additional conditions precedent:
- (a) *Accountants’ Comfort Letter.* The Underwriters shall have received letters, dated, respectively, the date hereof and each Closing Date, of PricewaterhouseCoopers Zhong Tian LLP in form and substance satisfactory to the Underwriters, containing statements and information of the type ordinarily included in accountants’ “comfort letters” to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement, General Disclosure Package and the Final Prospectus.

- (b) *Filing of Prospectus.* The Final Prospectus shall have been filed with the Commission in accordance with the Rules and Regulations and Section 5(a) hereof. No stop order suspending the effectiveness of the Registration Statement, the ADS Registration Statement or of any part thereof shall have been issued and no proceedings for that purpose shall have been instituted or, to the knowledge of the Company or the Underwriters, shall be contemplated by the Commission. The Registration Statement, the ADR Registration Statement, and all amendments thereto shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; the General Disclosure Package, and any amendment or supplement thereto, shall not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading; the Final Prospectus, and any amendment or supplement thereto, shall not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading; and no Permitted Free Writing Prospectuses, if any, shall include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading.
- (c) *No Material Adverse Change.* Subsequent to the execution and delivery of this Agreement, there shall not have occurred (i) any change, or any development or event involving a prospective change, in the condition (financial or otherwise), results of operations, business, properties or prospects of the Group Companies taken as a whole which, in the judgment of the Underwriters, is material and adverse and makes it impractical or inadvisable to proceed with the completion of the offering of, or the sale or payment for, the Offered Securities; (ii) any downgrade in the rating of any debt securities of the Company by any “nationally recognized statistical rating organization” (as defined for purposes of Section 3(a)(62) of the Exchange Act), or any public announcement that any such organization has under surveillance or review its rating of any debt securities of the Company (other than an announcement with positive implications of a possible upgrade, and no implication of a possible downgrade, of such rating); (iii) any change in United States, PRC, the United Kingdom, Japan, the European Union (the “EU”), Germany, Hong Kong or International financial, political or economic conditions or currency exchange rates or exchange controls, the effect of which is such as to make it, in the judgment of the Underwriters, impractical to market or to enforce contracts for the sale of the Offered Securities, whether in the primary market or in respect of dealings in the secondary market; (iv) any suspension or material limitation of trading in securities generally on the NYSE or NASDAQ Global Market, or any setting of minimum or maximum prices for trading on such exchange; or (v) any suspension of trading of any securities of the Company on any exchange or in the over-the-counter market; (vi) any general moratorium on banking activities declared by any United States, New York, PRC, United Kingdom, Japan, the EU or Hong Kong authorities; (vii) any major disruption of settlements of securities, payment or clearance services in the United States, the PRC, Hong Kong, Germany or any other country where the Company’s securities are listed; or (viii) any attack on, outbreak or escalation of hostilities against, the United States, the PRC, Hong Kong, Cayman Islands, Malaysia, North Korea, Japan, United Kingdom, the EU, or any declaration of war or any other national or international calamity or emergency if, in the judgment of the Underwriters, the effect of any such attack, outbreak, escalation, act, declaration, calamity or emergency is such as to make it impractical or inadvisable to market the Offered Securities or to enforce contracts for the sale of the Offered Securities.
- (d) *Opinion of United States Counsel for Company.* The Underwriters shall have received an opinion and a negative assurance letter, dated such Closing Date, of Cleary Gottlieb Steen & Hamilton LLP, United States counsel for the Company, addressed to the Underwriters in form and substance satisfactory to the Underwriters.
- (e) *Opinion of Hong Kong Counsel for Company.* The Underwriters shall have received an opinion, dated such Closing Date, of Cleary Gottlieb Steen & Hamilton (Hong Kong), Hong Kong counsel for the Company, addressed to the Underwriters in form and substance satisfactory to the Underwriters.

- (h) *Opinion of Counsel for the Depositary.* The Underwriters shall have received an opinion, dated such Closing Date, of Ziegler, Ziegler & Associates LLP, U.S. counsel for the Depositary, in form and substance satisfactory to the Underwriters.
- (i) *Opinion of United States Counsel for the Underwriters.* The Underwriters shall have received from Kirkland & Ellis, United States counsel for the Underwriters, an opinion and a negative assurance letter, dated such Closing Date, with respect to such matters as the Underwriters may require, and the Group Companies shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters. In rendering such opinion, Kirkland & Ellis may rely as to the incorporation of the Company and all other matters governed by Cayman Islands and PRC law upon the opinions of Maples and Calder (Hong Kong) LLP and DaHui Lawyers referred to above.
- (j) *Opinion of PRC Counsel for the Underwriters.* The Underwriters shall have received from Jun He LLP, PRC counsel for the Underwriters, an opinion, dated such Closing Date, with respect to such matters as the Underwriters may require, and the Group Companies shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.
- (k) *Officers' Certificate.* The Underwriters shall have received a certificate dated such Closing Date, of an executive officer and a principal financial or accounting officer of the Company, in which such officers shall state that (i) the representations and warranties of the Company in this Agreement are true and correct with the same force and effect as though expressly made at and as of such Closing Date, (ii) the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to such Closing Date, (iii) subsequent to the date of the most recent financial statements in the General Disclosure Package there has been no material adverse change, nor any development or event involving a prospective material adverse change, in the condition (financial or otherwise), results of operations, business, properties or prospects of the Group Companies except as set forth in the General Disclosure Package or as described in such certificate, and (iv) no order suspending the use of the General Disclosure Package or Final Prospectus in any applicable jurisdiction has been issued and no proceedings for that purpose have been instituted or are pending.
- (l) *CFO Certificate.* The Underwriters shall have received on the Pricing Date and on the Closing Date a certificate, dated the Pricing Date and the Closing Date and signed by the chief financial officer of the Company, with respect to certain financial and operating data contained in the General Disclosure Package and the Final Prospectus and negative assurance on certain line items in the Company's results of operations in form and substance satisfactory to the Underwriters.
- (m) *Lock-up Letters.* On or prior to the date of this Agreement, the Underwriters shall have received lock-up letters from each of the directors and executive officers of the Company, certain existing owners of the Ordinary Shares or ADSs and persons or entities listed on Schedule D, in each case substantially in the form attached hereto as Annex I.
- (n) *Listing.* The ADSs shall have been approved for listing on the NYSE, subject only to notice of issuance at or prior to each settlement date, or the Company shall have filed an application for listing of the ADSs to be offered hereunder on the NYSE.
- (n) *Actively-Traded Security.* The ADSs and the Ordinary Shares represented thereby shall be an "actively-traded security" excepted from the requirements of Rule 101 of Regulation M under the Exchange Act by subsection (c)(1) of such rule.

The Company will furnish the Underwriters with such conformed copies of such opinions, certificates, letters and documents as the Underwriters reasonably request. The Underwriters may in their sole discretion waive compliance with any conditions to the obligations of the Underwriters hereunder, whether in respect of an Optional Closing Date or otherwise.

8. *Indemnification and Contribution.*

- (a) *Indemnification of the Underwriters.* The Company will indemnify and hold harmless the Underwriters, their partners, members, directors, officers, employees, agents, affiliates and each person, if any, who controls any of the Underwriters within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (each, an “**Indemnified Party**”), against any and all losses, claims, expenses, damages or liabilities (including, without limitation, legal fees and other expenses in connection with any suit, action or proceeding, as such fees are incurred) joint or several, to which such Indemnified Party may become subject, under the Act, the Exchange Act, other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of the Registration Statement at any time, the ADR Registration Statement, at any time, any Statutory Prospectus as of any time, the Final Prospectus or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending against any loss, claim, expense, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Indemnified Party is a party thereto), whether threatened or commenced, and in connection with the enforcement of this provision with respect to any of the above as such expenses are incurred; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Company by the Underwriters specifically for use therein, it being understood and agreed that the only such information furnished by the Underwriters consists of the information described as such in subsection (b) below.
- (b) *Indemnification of Company.* The Underwriters will, severally and not jointly, indemnify and hold harmless the Company, each of its directors and each of its officers who signs a Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (each, an “**Underwriter Indemnified Party**”), against any losses, claims, expenses, damages or liabilities to which such Underwriter Indemnified Party may become subject, under the Act, the Exchange Act, other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, expenses, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of the Registration Statement at any time, any Statutory Prospectus as of any time, the Final Prospectus, or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or the alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by the Underwriters specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by such Underwriter Indemnified Party in connection with investigating or defending against any such loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Underwriter Indemnified Party is a party thereto), whether threatened or commenced, based upon any such untrue statement or omission, or any such alleged untrue statement or omission as such expenses are incurred, it being understood and agreed that the only such information furnished by any Underwriter consists of the following information in the Final Prospectus furnished by the Underwriters: the description of the stabilizing actions appearing in the thirteenth and fourteenth paragraphs under the caption “Underwriting”; the description of selling concessions appearing in the fourth paragraph under the caption “Underwriting”; the information in the second sentence of the fifth paragraph under the caption “Underwriting”; *provided*, however, that the Underwriters shall not be liable for any losses, claims, damages or liabilities arising out of or based upon the Company’s failure to perform its obligations under Section 5(a) hereof.

- (c) *Actions against Parties; Notification.* Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof, but the failure to notify the indemnifying party shall not relieve it from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party other than under subsection (a) or (b) above. All fees and expenses to be reimbursed pursuant to this Section 8 shall be reimbursed as they are incurred. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.
- (d) *Contribution.* If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Offered Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by such Underwriter and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by *pro rata* allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8(d).

9. *Default of the Underwriters.* If any of the Underwriters defaults in its obligation to purchase Offered Securities hereunder on either the First Closing Date or any Optional Closing Date and the aggregate number of shares of Offered Securities that the defaulting Underwriter agreed but failed to purchase does not exceed 10% of the total number of shares of Offered Securities that the Underwriters are obligated to purchase on such Closing Date, Credit Suisse may make arrangements satisfactory to the Company for the purchase of such Offered Securities by other persons. If any of the Underwriters so defaults and the aggregate number of shares of Offered Securities with respect to which such default or defaults occur exceeds 10% of the total number of shares of Offered Securities that the Underwriters are obligated to purchase on such Closing Date and arrangements satisfactory to Credit Suisse and the Company for the purchase of such Offered Securities by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of the Company, except as provided in Section 10 (provided that if such default occurs with respect to Optional Securities after the First Closing Date, this Agreement will not terminate as to the Firm Securities or any Optional Securities purchased prior to such termination). As used in this Agreement, the term “Underwriter” includes any person substituted for the Underwriter under this Section. Nothing herein will relieve a defaulting Underwriter from liability for its default.
