

Building Your Trust in Solar

## SelectUSA Presents Jinkosolar's Jacksonville Factory a Certificate of Appreciation

October 8, 2019

**Representatives from SelectUSA, the Department of Commerce, the City of Jacksonville, and the JAXUSA Partnership and Congressman John Rutherford on hand to celebrate**

JACKSONVILLE, Fla., Oct. 7, 2019 /PRNewswire/ -- JinkoSolar Holding Co., Ltd. (NYSE: JKS) ("JinkoSolar"), an innovative global solar module manufacturer, today announced that SelectUSA presented JinkoSolar with a Certificate of Appreciation in recognition of its module assembly facility in Jacksonville, Florida and the positive investment in the United States leading to job creation and economic growth. JinkoSolar has reached its investment and jobs target ahead of schedule and has already shipped modules to U.S. customers. It will serve both residential and utility customers from this facility.

"JinkoSolar's factory is a good example of SelectUSA's core mission- to facilitate job creation and investment in the United States," said Brian Lenihan, Executive Director of SelectUSA. "We were delighted to tour the facility and recognize JinkoSolar's investment in Florida and the U.S. solar industry."

"JinkoSolar is truly an advanced manufacturer, and I am proud to have them in Jacksonville," said Congressman John Rutherford (R-FL 4th district). "It was eye-opening to see both the sophisticated assembly process and the skilled jobs that come with it. Congress must continue to work in a bipartisan way to remove roadblocks for American businesses and ensure fair competition in a growing international marketplace."

"We are excited to have hardworking Floridians building our world class Eagle Modules," said Nigel Cockroft, General Manager of JinkoSolar (US) Inc. "JinkoSolar's factory in Jacksonville is a testament to our strong commitment to the U.S. solar market, and we look forward to growing our business."

### **About JinkoSolar Holding Co., Ltd.**

JinkoSolar (NYSE: JKS) is one of the largest and most innovative solar module manufacturers in the world.
