## JinkoSolar Awarded "Top Brand PV Europe Seal 2023" by EUPD Research

June 16, 2023

MUNICH, June 16, 2023 /PRNewswire/ -- JinkoSolar Holding Co., Ltd. ("JinkoSolar" or the "Company") (NYSE: JKS), one of the largest and most innovative solar module manufacturers in the world, today announced that it was awarded the "Top Brand PV Europe Seal 2023" by internationally recognized research institute EUPD Research.

EUPD Research awards Top PV Seals based on its Global PV Installer Monitor Survey which compiles the opinions of solar installers from leading solar markets in Europe and around the world. Solar installers in some of the most important European markets including Germany, Austria, Switzerland, Spain, Netherlands, Italy, and France participated in the survey where JinkoSolar was recognized for its exceptionally high-quality products and outstanding customer service. The Top Brand PV© Awards are exclusively presented to brands with the best performance and helps these brands enhance their credibility and overall trust level with end consumers and business partners.

Mr. Frank Niendorf, General Manager of JinkoSolar Europe, commented, "We are very proud to receive this prestigious award for Europe. This recognition by our downstream partners does not only prove that JinkoSolar is one of the preferred European brands to work with by installers, but also reflects our strong reputation and commitment to our customers as a leading supplier and an N-type TOPCon technology leader. JinkoSolar's highly-reliable solar products and customer service, have significantly contributed to the steady growth of our customer base and fast adoption of N-type products in Europe. Our strategy to innovate and lead the industry by setting standards continues to strengthen our position as one of the preferred choices across Europe."
