JinkoSolar's EAGLE® G6R Residential PV Module Named Sustainable Product of the Year by Green Builder® Media

07/01/2025

SHANGRAO, China, July 1, 2025 /PRNewswire/ -- JinkoSolar Holding Co., Ltd. (the "Company," or "JinkoSolar") (NYSE: JKS), one of the largest and most innovative solar module manufacturers in the world, today announced that its EAGLE® G6R residential PV module has been honored as a 2025 Sustainable Product of the Year by Green Builder® Media.

The annual award recognizes companies that promote sustainability and products that push the boundaries of clean technology and smart design. This marks the fifth consecutive year JinkoSolar has received this prestigious recognition, reaffirming the Company's leadership in advancing energy-efficient, eco-friendly solar solutions.

This year's winner, the EAGLE® G6R, is a sleek, ultra-high-powered residential PV module featuring JinkoSolar's N-Type TOPCon technology, a platform that has achieved multiple efficiency records. Engineered for superior performance and resilience in extreme weather conditions, the EAGLE® G6R helps homeowners dramatically reduce energy costs, while elevating curb appeal with its sleek design.

JinkoSolar's environmental efforts extend beyond its products. The Company was the first solar manufacturer to join the RE100 initiative, pledging to power its operations with 100% renewable energy. Additionally, JinkoSolar was the first solar company to have its net-zero goals validated by the Science Based Targets initiative (SBTi).

"Receiving this award once again from Green Builder® Media is a tremendous honor," said Nigel Cockroft, General Manager of JinkoSolar (U.S.) Inc. "The EAGLE® G6R reflects our deep commitment to innovation and to empowering homeowners with reliable, high-efficiency solar technology. As one of the largest patent holders of N-Type TOPCon, we are proud to lead the way in next-generation clean energy solutions."

Sara Gutterman, Chief Executive Officer of Green Builder® Media praised the Company's achievements. "Congratulations to JinkoSolar on earning the Sustainable Product of the Year award. Their consistent innovation and commitment to environmentally responsible manufacturing serve as a model for the industry. We look forward to their continued leadership in building a more sustainable future."
