

## **JinkoSolar Announces 130 MW Solar Module Supply Agreement with a Leading Global PV Company**

October 12, 2010

SHANGHAI, Oct 12, 2010 /PRNewswire via COMTEX/ --

JinkoSolar Holding Co., Ltd. ("JinkoSolar" or the "Company") (NYSE: JKS), a fast-growing solar product manufacturer with low-cost operations based in China, announced today that it has signed a 130 megawatt ("MW") solar photovoltaic module supply agreement with a leading global PV company.

Under the terms of the agreement, JinkoSolar will supply to the customer a total quantity of 130 MW of solar modules beginning in 2011 and continuing throughout the year. The agreement, which will be in effect through 2011, is an extension of a current contract with the customer that is scheduled to be fully performed in 2010.

Mr. Xiande Li, Chairman of the Board of Directors at JinkoSolar, commented, "The current contract extension deepens our strong relationship and demonstrates the customer's recognition of JinkoSolar's module quality, continuous technological enhancements and best-in-class after-sales services. We look forward to continuing to work with this marquee customer as well as expanding JinkoSolar's brand recognition as a leading provider of solar modules."
