JinkoSolar to Supply 39MW PV Modules to AMEC for Three Projects In the US

July 30, 2013

SAN FRANCISCO, July 30, 2013 /PRNewswire/ -- JinkoSolar Holding Co., Ltd. ("JinkoSolar" or the "Company") (NYSE: JKS), a leading global solar PV power product manufacturer, today announced that it will supply AMEC, one of the world's leading international engineering and project management companies, with 39 MW of high-efficiency photovoltaic ("PV") modules for three solar projects in the United States.

Located in Marion County, Indiana, all three projects will utilize JinkoSolar's 300W 72 cells, high-efficiency PV modules and are the largest utility-scale solar projects in Indiana. Once connected to the grid, the facilities will generate enough power to supply 7,500 homes. According to terms of the agreement, deliveries will be completed during the 4th quarter of 2013.

"We are pleased to have the opportunity to work with JinkoSolar," commented Mr. Tom Dodson, Vice President of AMEC. "Their leading technology and excellent service in the US made them the ideal choice during the supplier selection process."

"We are thrilled to be working with AMEC on these projects," said Mr. Nigel Cockroft, JinkoSolar's US General Manager. "AMEC has an outstanding reputation as one of the leading EPC service providers in the solar industry. Working with AMEC on these projects is one of our largest deployments in the US market and will further strengthen our presence here."

About JinkoSolar

JinkoSolar is a leading solar PV power product manufacturer with production operations in Jiangxi and Zhejiang Provinces in China and sales and marketing offices in Shanghai and Beijing, China; Munich, Germany; Bologna, Italy; Zug, Switzerland; San Francisco, the United States; Queensland, Australia; Ontario, Canada; Singapore; Tokyo, Japan and Cape Town, South Africa.

JinkoSolar has built a vertically integrated solar product value chain with an integrated annual capacity of approximately 1.2 GW each for silicon ingots and wafers, solar PV cells and solar PV modules as of December 31, 2012. JinkoSolar distributes its photovoltaic products to a diversified customer base in the global PV market, including Germany, Italy, Belgium, Spain, the United States, Canada, France, Eastern Europe, Australia, China, India, Japan, South Africa and other countries and regions.

About AMEC
