Jinko Power Signs RMB10 Billion Strategic Agreement with Industrial and Commercial Bank of China

September 10, 2015

SHANGHAI, Sept. 10, 2015 /PRNewswire-FirstCall/ -- JinkoSolar Holding Co., Ltd. ("JinkoSolar" or the "Company") (NYSE: JKS), a global leader in the solar PV industry, today announced that JinkoSolar Power Co., Ltd. ("Jinko Power"), a subsidiary of the Company, has signed a line of credit of up to RMB10 billion strategic agreement with the Industrial and Commercial Bank of China ("ICBC") Jiangxi Provincial branch.

According to the terms of the agreement, ICBC Jiangxi Provincial branch will provide Jinko Power line of credit of up to RMB10 billion within three years. The financial instruments will include but are not limited to working capital loans, supply chain financing loans, and project loans. The final amount drawn will depend on Jinko Power's projects financing needs.

"Working with ICBC, the largest commercial bank in China, once again demonstrates the confidence that leading financial institutions have in our brand as well as our project development potential," commented Mr. Xiande Li, Chairman of JinkoSolar. "This financial support will further enhance Jinko Power's project development capabilities. With the support of government policy and the booming of project development in China, we're glad to see more commercial banks entering the downstream solar market. We think highly of cooperating with ICBC and hope to develop more high-quality power plants and eventually repay our investors and society by producing more clean energy."
