JinkoSolar Partners with RWE AG in the 800 MW Solar Project in Dubai

January 21, 2016

SHANGHAI – January 21, 2016 - JinkoSolar Holding Co., Ltd. ("JinkoSolar"), a global leader in the solar PV industry, today announced that it has formed a consortium with RWE AG through its subsidiary RWE Innogy ("RWE") to jointly participate in the 800 MW Solar Photovoltaic Independent Power Project - Phase III tendered by the Dubai Electricity and Water Authority in Dubai, United Arab Emirates. Having successfully pre-qualified earlier this month, both parties are now preparing their joint tender response, which is expected to be submitted at the end of March 2016.

JinkoSolar and RWE are committed to the Middle East and firmly believe that Phase III of the project is an important milestone for the Emirate of Dubai and the entire region as a hub for renewable energies, as it will represent one of the largest photovoltaic power projects globally. Both parties have significant expertise in developing, implementing, operating and financing large-scale renewables projects.
