JinkoSolar Signs 1.43 GW Supply Agreement with sPower in the U.S.

June 5, 2018

SHANGHAI, June 5, 2018 /PRNewswire/ -- JinkoSolar Holding Co., Ltd. (NYSE: JKS) ("JinkoSolar" or the "Company"), a global leader in the solar industry, today announced that its wholly owned subsidiary, JinkoSolar (U.S.) Inc. has entered into a three-year agreement to supply 1.43GW of high efficiency modules to sPower, a leading renewable energy independent power producer.

This major supply agreement continues the strong strategic relationship between JinkoSolar and sPower. To-date, JinkoSolar has supplied over 800MW- approximately 2.5 million solar panels - for sPower's PV projects. The agreement includes significant down payments, which will help Jinko expand manufacturing capacity in the United States and Asia.

"We have had a strong track record of success with JinkoSolar's high quality and reliable modules, which is why we have signed another deal," said Ryan Creamer, CEO of sPower. "JinkoSolar's technology roadmap and cost leadership are also strong enablers for our future projects, and we look forward to maintaining our strong partnership."

"We are very pleased to work with sPower," said Gener Miao, JinkoSolar Vice President of Sales & Marketing. "We value the opportunity to grow our business with a visionary like sPower. JinkoSolar has been investing heavily in advanced solar technologies, and these efforts have yielded major benefits."
