

Building Your Trust in Solar

JinkoSolar Wins "Top Brand PV Seal" in Australia for Second Year Running

December 21, 2018

SHANGHAI, Dec. 21, 2018 /PRNewswire/ -- JinkoSolar Holding Co., Ltd. ("JinkoSolar" or "Company"), (NYSE code JKS), a reputable solar module manufacturer in the world, today announced that it has been awarded the "Top Brand PV Seal" by EuPD Research for the second time in a row in Australia based on surveys of installers.

According to EuPD Research, the results from this year's *Global PV Installer Monitor* clearly show that JinkoSolar modules maintain an exceptional market position in Australia, where they are the favorable partner of major solar installers for the high quality of their products and services.

"We are honored to win the award in Australia for the second year in a row," said Gener Miao, Vice President of Sales & Marketing of JinkoSolar. "Our Australian customers have particularly high standards, and it means a great deal to us to win their trust for our solar module products. We will work even harder to deserve their loyalty going forward."

About JinkoSolar Holding Co., Ltd.

JinkoSolar (NYSE: JKS) is a world-renowned solar module manufacturer. JinkoSolar has over 12,000 employees across its 6 production facilities globally. The company distributes its solar products and sells its solutions and services to a diversified international utility, commercial and residential customer base in more than 80 countries worldwide.
